Dear Donors,

We want to share great news with you.

With the funds raised in the 2021-2022 annual campaign, The Hobe Sound Community Chest has allocated **1.97 million dollars**, investing in 44 programs and our Hobe Sound Strong Start initiative.

Your incredible generosity is changing the lives of our Hobe Sound community. The Jupiter Island, Loblolly and Mainland communities have joined forces to lift up a community in need.

We are so proud to live here and we thank you.

Gratefully Yours,

Linda McGillicuddy
